

IF YOU LEAVE ME NOW (CHICAGO X)

○ Listen to the song and complete:

If you..... me now, you'llaway the biggest part of me
Uh uh uh uh no baby please don't go
And if you me now, you'll away the very heart of me
Uh uh uh uh no baby please don't go
Uh uh uh uh girl I just want you to stay

A love like ours is love that's hard to
How could we let it slip away
We've come too far to leave it all
How could we end it all this way
When tomorrow comes and we'll both regret
The things we said.....

A love like ours is love that's hard to
How could we let it slip away
We've come too far to leave it all
How could we end it all this way
When tomorrow comes and we'll both regret
The things we said

If you me now, you'll away the biggest part of me
Uh uh uh uh no baby please don't go
Uh girl, just got to have you by my side

Uh uh uh uh no baby, please don't go

Oh mama, I just got to have your lovin, yeah
